

Asiri's Adventure through Machu Picchu

Asiri, a brave Inca woman, set off on a remarkable journey to the ancient city of Machu Picchu. Her heart was filled with the stories of her ancestors, who once thrived in the Inca Empire. Along the way, she wandered through lush valleys and towering mountains, discovering rare and vibrant natural ingredients hidden in the rich Peruvian landscape. From exotic fruits to fragrant herbs, Asiri gathered everything she needed to craft cocktails unlike any before.

By the time she reached Machu Picchu, Asiri's collection of nature's finest would inspire a blend of tradition & innovation – cocktails that captured the essence of her epic journey.

Asiri means "smile" in Quechua. (female)

As we become more eco-conscious in all aspects of our lives, we're learning to better appreciate and protect the earth's bounty, conscientiously celebrating the planet we all share. For cocktails, that looks like reducing food waste, buying local ingredients & utilizing brands that prioritize sustainability.

Is based in 4 stops of the adventure: Agua, Hierbas, Frutas, Seco.

Machu Picchu:

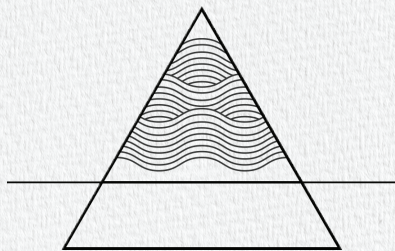

The Incan estate 8,000 feet high in the Andes mountains, are the longest continental mountain range in the world. continuous highland along the western edge of South America.

AGUA: WATERFALL AND RIVERS

Inspired by the refreshing flow of waterfalls and rivers, these cocktails are light, with low ABV and crisp highballs, perfect for a cool, revitalizing drink that mirrors nature's purity.
