

*In the highest peaks of the Andes, the great creator
Viracocha shaped the world. To protect the land of Peru
and guide its people toward harmony, he appointed
the Kuntar (Andean Condor) as the Celestial Messenger.
This Condor, whose wings cast shadows over the mountains
and the sea, was tasked with ensuring that all the great
essences of the world found their perfect balance
within the Sacred Land.*

*The Condor's journey to achieve this balance led it
to establish the Sacred Altars, each marking a stage
of enlightenment and flavor discovery.*
